Technical information sheet

500ml / Item number 036302001 / EAN 4007955363026

Thoroughly removes grease, dirt, care product residues and stubborn deposits from surfaces in the bathroom and kitchen. The powerful cleaning action ensures hygienic cleanliness and a neat appearance - ideal for regular cleaning of heavily used areas.

- Intensive cleanser with gel formula
- Deep pore cleaning of tile joints
- for wall and floor tiles

Area of application

Removes dirt, grease and deposits from tiles and joints in the bathroom and kitchen. Gel formula, also vertical, ideal before applying tile paint.

Processing

Spray the cleaner generously and evenly onto the dry surface and leave to work for 1-2 minutes. Clean the grout and tile with a soft brush and rinse the brush regularly with clean water. Then remove the film of dirt with a sponge and rinse with clean water.

Storage

Keep container tightly closed and store in a cool but frost-free place. Keep out of the reach of children.

Notes

Before use, check the surface resistance on an inconspicuous area due to possible colour changes. Only dispose of empty containers for recycling. Dispose of product residues as hazardous waste.
