PLAST Plastic and garden furniture intensive cleaner

Technical information sheet

500ml / Item number 101636 / EAN 4016215101636

Intensive cleaner for all plastic surfaces in the home and garden. Quickly removes stubborn dirt, traces of use and deposits - particularly effective against oily/greasy dirt. Has an antistatic effect and keeps surfaces clean for longer. For all plastic surfaces in the garden or household. Particularly suitable for window profiles, roller shutters, blinds, doors, awnings, kitchen and office furniture, boats, surfboards, garden furniture, plastic car interior panelling. Also for covers for lounge furniture, seat cushions and upholstery.

- For all plastic surfaces
- Removes stubborn dirt, traces of use and deposits quickly and effectively
- Intensive effect against oily and greasy soiling
- has an antistatic effect
- Also for boats, motor vehicles and garden furniture

Area of application

Removes stubborn dirt, traces of use and deposits quickly and effectively. Works intensively against oily and greasy soiling.

Processing

Spray pure onto soiled surfaces and leave to work for a few seconds. Remove dissolved dirt with a sponge or cloth and then wipe with warm water. For particularly stubborn deposits, treat with a sponge or brush and rinse well with water. Sufficiently pre-wet textile coverings with water before use.

Notes

Sensitive surfaces, e.g. high-gloss lacquered surfaces, should be tested for surface compatibility in an inconspicuous place before treatment. Plastic Garden Furniture Cleaner can be used on sensitive surfaces or diluted up to 1:3 with water for light soiling. Shelf life: 5 years from production date. Production date: see imprint.
