Sports Pitch Chalk

Technical information sheet

25kg / Item number 099209 / EAN 4016215099209

Sports pitch chalk for precise and highly visible markings on sports pitches and playing fields. Suitable for all standard dry marking trolleys and offering excellent adhesion to grass blades. The product meets DFB requirements. Ideal for football pitches, training grounds and other sports facilities.

- for sports field and pitch markings
- complies with DFB requirements
- For all conventional dry marking trolleys
- Good adhesion to blades of grass
- Pure natural product
- not corrosive

Area of application

Line marking paint for sports fields, natural and artificial turf and hard pitches. Good adhesion on dry grass and clear visibility even in the rain.

Preparation

The areas to be marked must be dry. The grass should be cut as short as possible.

Processing

Processing is carried out with appropriate dry marking equipment.

Consumption

per seat → approx. 50.0 kg

Storage

Keep containers tightly closed and store in a cool, dry place.

Notes

Keep out of the reach of children. Only send completely empty containers for recycling.
