MULTI-CLEAN Cleaner, degreaser and leaching agent

Technical information sheet

500ml / Item number 101643 / EAN 4016215101643

Powerful cleaner, degreaser and leaching agent. Removes grease, nicotine and greasy films without leaving any residue. Perfect for preparing painted surfaces for the next coat of paint. For indoors & outdoors. For washable surfaces such as plastic windows, doors, skirting boards, cable ducts, radiators, panels, kitchen and furniture fronts, banisters and handrails, blinds, glass and similar surfaces. Intact painted surfaces can be prepared for subsequent coats without sanding.

- ready for use
- Residue-free degreasing and cleaning
- Removes grease, nicotine and greasy films
- Preparation of painted surfaces for subsequent coats

Area of application

Cleaner, degreaser and leaching agent for washable surfaces. Removes grease, nicotine and greasy films, ideal before painting, for indoors and outdoors.

Processing

Spray the cleaner onto the soiled surface, remove the dissolved dirt after a short exposure time and wipe with water. For particularly stubborn dirt, wet the surface a second time and support the cleaning process with a brush or sponge.

Storage

Keep container tightly closed and store in a cool but frost-free place. Keep out of the reach of children. Shelf life: 5 years from production date. Production date: see imprint.

Notes

Test sensitive surfaces for compatibility in an inconspicuous area before use.
