

- white, natural product, biodegradable, high-opacity
  - meets German Football Association (DFB) requirements, good adhesion to grass
  - for all standard dry marking machines, high coverage
- 

# Sports Pitch Chalk

## Use

As temporary line marking on sports pitches, natural lawns, artificial turf, hard (tennis) courts etc., with good adhesion to air-dry grass and good visibility in rain.

## Constituents

Chalk, as natural product

## Substrate

Surfaces for marking shall be dry. Grass should be cut as short as possible.

## Application

Apply with suitable dry marking equipment.

## Consumption

Per football pitch → approx. 50.0 kg

## Note

Keep out of reach of children. Hand over only fully emptied containers for recycling.

## Storage

Store in cool, dry, though frost-free environment in properly sealed containers. Minimum shelf life in containers subject to proper storage: see batch label.

## Item No.

099209	25.0 kg	Paper sack
